The modest scale of our ships allows us to sail directly into the heart of the world's most prominent cities, and reach scores of tiny dots on the map that larger ships aren't able to access.

SHORESIDE ADVENTURE INCLUDED

Beyond the sundry luxuries to be savoured whilst on board, proper travel is about experiencing the destinations themselves. With that as our guiding principle, we include all shore excursions on Expedition voyages, while our Classic voyages include one shore excursion per port per day – your choice from a diverse range of options.

BALTIC AND MEDITERRANEAN VIEWS

Widened by Silversea's included shore excursions

A panorama of Buzet, Istria's truffle capital

Our luxury voyages are now more all-inclusive than ever, with one shore excursion per port, per day included in your cruise fare. Hosted by expert guides in smaller groups, Silversea's immersive shore experiences invite intimate discoveries away from the crowds. These are examples of the broad range of included options available to choose from in each destination:

HELSINKI, FINLAND – Fortress island Suomenlinna
Discover the capital of Finland and the spectacular Suomenlinna Island on this half-day to Helsinki sightseeing excursion. After a sightseeing tour of the picturesque city of Helsinki, take a water cab to Suomenlinna Fortress Island - built in the 18th century and designated a UNESCO World Heritage Site since 1991 as a unique monument of military architecture.

BORNHOLM, DENMARK – Svaneke Village & Brewery
Discover Svaneke, one of the most historic and beautiful towns on the island of Bornholm. The winding alleys, pretty cliff gardens and its multitude of galleries, glassblowing, pottery and craft workshops make this charming fishing village unique and special. After your stroll through town, stop at the Svaneke Brewery and sample some of the local beers before passing one of Denmark's largest forests on your way back. It is located in the middle of Almindingen Island. Here also rises the highest point of the island, Rytterknaegten, which is about 162 meters above sea level.

GDANSK, POLAND – Gdansk, City of Solidarity
Capture the character of this 1,000-year-old city that has so shaped Poland's history. Enjoy a guided walk amongst Gothic, Renaissance and Baroque buildings in Old Town. Visit St. Mary's Church, a gargantuan landmark known for its high altar and elaborate 15th-century astronomical clock. And stand before the 135-foot Solidarity Monument, honouring the brave shipyard workers who stood up against the Communist regime here in 1970.

OPATIJA, CROATIA – Tastes & Scent of Istria
Venture to Buzet, known as the 'City of Truffles' and a culinary crown jewel of the Istrian Peninsula. Most famous for its savoury black and white buried treasures, the area is also celebrated for its superb olive oil, wines, and grappa - and for the unique delicacies produced at Aura Tasting House. Enjoy a delicious degustation of brandies, jams, cookies, almonds, and dark chocolates.

RHODES, GREECE – Hike the Seven Springs
Travel to the village of Archangelos, known for its olive oil and classic blue-and-white buildings, to experience a magical Rhodian oasis awaiting your discovery just outside of town. A woodland trail leads to the Seven Springs, a spot where cool, crystal-clear waters from multiple sources join together, cascading down through a lengthy tunnel to a reservoir.
